

PARTS BULLETIN

THE
Indian MOTORCYCLE COMPANY

AUTOMATIC BACK ORDER CANCELLATION

Because many of our customers do not want shipments of back orders which are no longer needed and to expedite shipment of current orders, the Indian Motorcycle Company will cancel all back orders as of June 1, 1974.

In the future it will be necessary to reorder any part which shows a code letter "B" in the quantity shipped column.

The change in procedure along with our new R.I.D.E. (Rush Indian Down Emergency) order program will enable Indian to offer you faster and more complete parts service in the future.

Thank you for your continued business.

Hal Collins
Manager - Parts
