Subject	NEW WARRANTY PROGRAM

NEW WARRANTY PROGRAM

As of June 1, 1975, the Indian Motorcycle Company Warranty Department will NOT accept warranty claims filed under the instructions contained in SVB-144. The "old", one page, warranty claim form will be considered obsolete, and the 4-part warranty registration cards cannot be used past June 1, 1975.

Beginning June 1, 1975, all Indian Dealers and Distributors must file warranty claims per the instructions in the "Dealer Warranty Guide Book", (P/N 80601110). Use only the "new", six-part warranty claim forms, (P/N 80601100).

The only warranty registration cards that can be used after June 1, 1975, are now contained in the Indian "Owner's Warranty Guidebook", (P/N 80601105).

If you do not have the necessary new warranty material, please order it immediately from the Indian Motorcycle Company Parts Department.
